WEDDING PRICING GUIDE 2025

# SAY “I DO” WITH US!

## THE EXPERIENCE

Nestled in the foothills between Eugene and Corvallis, take in the views of the Willamette Valley while enjoying the modern amenities of our lodge and grounds.

Choose from one of three packages that are priced to provide you with the level of service you need. Whether it's a full destination weekend wedding affair with extra staff to help you with the heavy lifting or a single 12 hour wedding day that covers all your basics, we'd love to host the start of your next chapter.

To ensure your day runs as smoothly as possible, we require all weddings to have a professional Day of Event Coordinator or full service Wedding Planner.

Your planner or coordinator must attend at least one of your site visits if they haven't facilitated a wedding at the Inn before to become familiar with our grounds and layouts..

“An absolutely stunning wedding venue I loved photographing at! There's so much space for the bride & groom to get ready and lots of photo ops around the venue. I hope to be back soon to photograph another wedding!” - Hvfitz Photos

“Our experience having our wedding at the Inn exceeded all expectations! The place is beautiful and the rates are comparable to other venues, except the Inn provides SO much more... There is truly no other venue in town that could provide you with as much as they do at the Inn.

On top of a beautiful, versatile venue, Liz and Debi were so so wonderful to work with. You can tell they put in so much hard work and intentionality to make this place special!”

- 2022 Bride

“We had the best experience with you and couldn't have asked for a better place to have our wedding. It was so beautiful and spacious and you were both so helpful throughout the process. Absolutely no complaints here!!

We are so grateful to you for being a part of our special day and for making it so memorable.”
